

RAMGO GROW KITS

Are you looking for a meaningful gift for your friends, loved ones, or even your own family on special occasions such as birthdays or Christmas? Worry no more—we have the perfect suggestion: the RAMGO Grow Kit! This all-in-one beginner gardening kit comes in a variety of herb options, including basil, chives, Italian parsley, rocket arugula, curly kale, and thyme.

The RAMGO Grow Kit was specially designed as a fun and exciting way to inspire gardening among hobbyists, children, retirees, millennials—and anyone interested in growing their own plants. It offers a fulfilling experience: from planting your own seeds to enjoying the fruits of your labor. In addition to Ramgo's easy-to-grow seeds, the kit also includes a planting guide, Nutricote controlled-release fertilizer, a sterile and fertile seed-raising medium, and a plastic pot with saucer—everything you need to ensure healthy plant growth, development, and harvest.
